Welcome to EGADE Business School

Challenge the present, Shape the future

EGADE Business School has campuses in Santa Fe (Mexico City), Monterrey, and Guadalajara, where we offer graduate and executive education programs.

Our presence also extends to Queretaro through our Fly-In MBA program and other cross-border alternatives, such as online graduate and executive education programs.

AACSB ACCREDITED · ASSOCIATION OF MBAS ACCREDITED · EQUIS ACCREDITED

EGADE Business School

The most globalized Business School in Latin America, where innovation and transformation are part of everyday life in a challenging and inspiring environment. Here, we shape leadership for global business with vision, impact, and purpose.

We are the only multi-campus school in the region with the Triple Crown of international accreditations (AACSB, AMBA, and EQUIS), and we are ranked #1 in Latin America by the QS Global MBA Ranking.

Explore our portfolio of professional degree programs with various specializations, available in both full-time and part-time formats.

Through our programs, you gain access to an exclusive global network, international experiences, dual degrees, and partnerships with leading companies.
